* Partial Board clients that require SGEC to perform PM Feed and Turn, Daily Stall Cleaning, or need Winter blanketing are charged for the number of days the SGEC performed the service in a month, retroactively.

++ If you would like Southern Grace to provide the Barn Hay (Timothy/Orchard/Brom mix) in a ¾ Board Tier, we will charge an incremental \$9/bale, or you can provide your own hay.

With all board levels, we will include any owner-provided supplements or pills with feedings. Complicated medication administration (not just pills in a feed) may have a separate charge. NO Stallions or LARGE Draft Horses (e.g. Percherons, Clydesdales).
